Coronavirus (COVID19): Advice for parents

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they must not come to the setting and you should notify us as soon as possible by phone or email and should remain at home for at least 10 days from the date when their symptoms appeared.

Anyone with symptoms should seek a test and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.

All other household members who remain well, must stay at home and not leave the house for 14 days. This includes anyone in your 'Support Bubble'.

Further information is available at: <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

The 14-day period starts from the day when the first person in the house became ill.

Household members should not go to work, childcare setting, school, college or public areas and exercise should be taken within the home only.

If you require help with buying groceries, other shopping or picking up medication, or walking a dog, you should ask friends or family. Alternatively, you can order your shopping online and medication by phone or online.

Household members staying at home for 14 days will greatly reduce the overall amount of infection the household could pass on to others in the community.

If you are able, move any vulnerable individuals (such as the elderly and those with underlying health conditions) out of your home, to stay with friends or family for the duration of the home isolation period.

Symptoms

The most common symptoms of coronavirus (COVID-19) are the recent onset of:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness.

If your child or anyone in the household does develop symptoms, you can seek advice from NHS 111 at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/> or by phoning 111.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

Do

Wash your hands with soap and water often – do this for at least 20 seconds

Use hand sanitiser gel if soap and water are not available

Wash your hands as soon as you get home

Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze

Put used tissues in the bin immediately and wash your hands afterwards

Further Information Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Reminders

Please let us know if your child cannot come in for their usual session due to illness, holiday or any other reason. We will ring you to check if we have an unexplained absence.

Please continue to send in photos about what your child does or has been doing at home.

We have been teaching the children about good hygiene when they sneeze and not coughing over others to help reduce the spread of illness.

Other useful info...

Changing or adding hours

If you wish to change your hours please let us know as spaces are filling up quickly. Please email us the changes even if you speak to us, and ensure you get a confirmation email from us.

If your child attends a child-minder or another setting please let us know.

Lunchboxes

We are a nut-free pre-school so **no nuts** please in lunch boxes. This includes **pesto**. Please also check **cereal bars** to ensure nut-free. Please ensure your child has a drink in their lunchbox and no screw tops as these get knocked over. Please fill water bottles with water or diluted “no added sugar” squash. All chocolate and sweets are discouraged in lunchboxes.

If you put **grapes** in your child’s lunchbox please ensure they are **cut in half lengthwise** so they can more easily pass through smaller throats.

Please ensure you check your child’s lunchbox to see how much he/she has eaten for lunch. We cannot force your child to eat their lunch – we can only encourage. Uneaten food will be left in their lunchbox.

We promote healthy eating! If you would like further information please see our website.

Medication

If your child requires any medication whilst at Preschool please make sure you have filled out and signed the form “Parental Agreement for Setting to administer medicine”.

Clothing

Please do not send your child into pre-school in their best clothes as your child may get messy with paint and glue. Sometimes it is necessary for your child to have a change of clothes during the day. We do keep spare clothes but if you do borrow our clothes please can you ensure they are returned to us. Preschool t-shirts and sweatshirts are available to purchase.

Exclusion procedure for illness and contagious diseases

In order to ensure that germs are not spread to others please visit our website page and do not send your child in to pre-school until after the exclusion period. If you have any doubts about whether your child is well enough to come into pre-school please ring us before bringing them in.

Pre-School Bag

Please to bring your child's personalised bag to each session so staff can fill it up with artworks, notices etc. ready for you to take home again. Please let Sue know if you haven't received your bag.

Staff contact

If you would like to speak a member of staff please either ring us or wait until all the children have entered pre-school. If your child comes into pre-school with a mark caused by an accident at home please can you fill out a slip and sign it as we have to record all these.

Wow Moments

We love sharing these special moments with your child and we then place the Wow sheet in their Learning Journey. Wow sheets are available in pre-school and they can also be downloaded via our website.

www.easthanningfieldpreschool.org.uk.

Policies

All of our policies are available to read on our website.

Early Learning Journey folders

These are updated once every half-term with observations, a photo and artworks.

Change in contact details

If you change your mobile or home telephone number, please remember to let us know so that we can update our records. This is important in case we need to contact you during a session.
